

Wonder Years Academy

May 2019 newsletter

Can you believe it's the last month of preschool already?? We are already feeling sad about not getting to see these cute little faces every day! It's been a great year, and your children have learned so much.

THIS MONTH we finish the unit we started during the last week of April - **X is for X-ray**, where we learn about how our bodies are put together and how we can take care of them. Then we will begin **M is for Moms**.

We enjoy this opportunity to share some extra love and appreciation for you amazing women, and your kids will be busy preparing a little something for you, since this unit coincides with Mother's Day! The last week of school will be spent having an **Academic Review** and practicing for our **Graduation/End of Year Program**.

NO SCHOLASTIC FLYERS THIS MONTH, but you can still order online all summer long, and our school will still earn free books by putting in our class code **N9GGD** during the checkout process.

SUMMER CAMP

Due to the move to our new space, there will be no summer camps held this year. But they will be back in 2020, so look for them then, as they are appropriate for ages 3-7 and your child does not have to be a student at our school to enroll in summer camp!

NEED AFTER SCHOOL DAYCARE?

A couple of spots have opened up in Miss Brittany's after school daycare. If you or anyone you know has a need for this, please call Miss Brittany at 801-372-4595.

We **LOVE** our students!

IMPORTANT DATES

May 1 – MWF **tuition due**

May 2 – TuesThurs **tuition due**

May 2 – Show & Tell Tue/Thu

May 3 – Show & Tell MWF

May 15 – Last Day School MWF

May 16 - Last Day School TuThu

May 17 – **GRADUATION!** (see below)

2019 GRADUATION AND MOVING UP PROGRAM

This year we are holding our advancement program during the daytime on Friday, May 17th, with the times based on which class your child attends. The program for **both TuesThurs classes will be held at 10:30 am**, and **both MWF classes will be held at 1 PM**. Both programs will be held at the school. Bring a blanket or lawn chair to sit on. Your children are excited to share with you some of the many things they have learned this year!

REGISTRATION FALL 2019

We are on schedule for our new larger space to open this fall! A larger space means we have room for more students, so we still have a few spots left in each of our classes. We appreciate you referring us to your friends and neighbors - those of you continuing on with us will still qualify for the discount on fall tuition if your referral registers over the summer. And please take a moment to "like" our page/posts on Facebook and Instagram. Thank you!
