## March 2020 newsletter

We sure know how to par-tay at preschool! Last month we had a Valentine's celebration, AND our annual Pizza and Pajama party! We even sneaked in a field trip to Champions Sports Center! In addition, we had units on Community Helpers, Feelings & Emotions, Patterns & Quilts, and Dinosaurs. Did your kids come home and tell you about our volcano that exploded? Whew, it's been SO busy around here!

This month, since we've learned 8 more letters, it's time for another **Review** week! Then we'll move on to **U is for Up and Down** (our **Opposites** unit), followed by **W is for Wheels** (Transportation), **V is for Vegetables** (Gardens & Seeds), and then can you believe it will be time for **E is for Eggs & Easter??!!** This year is going by so fast.

**PARENTS**, you have all been SO generous with snacks that we have enough on hand for the rest of the year! **THANK YOU!** However, we were hoping that those of you still in the snack rotation between now and the end of the year might be willing to bring a paper product instead on your assigned week. We are ALWAYS in need of toilet paper, paper towels, Clorex disinfecting wipes, baby wipes, napkins, etc. Between now and the end of the year, you will see a paper product listed each week where you find the snack assignments on the calendar sent out with the newsletter each month. We would appreciate it so much if you would follow that as a class donation instead of a snack. Thank you so much for your cooperation, and if you have any questions please just ask one of our teachers or contact us via email or text.

Alpine School District (ASD) has allocated April 6<sup>th</sup> (the first Monday of Spring Break) as the make-up day for the snow day we had several weeks ago. However, they also indicated that it is “not mandatory” and that they will not even take attendance that day. Given that so many families have pre-planned for Spring Break travel and activities (including us!), we will NOT be having class that day, and Spring Break will be that entire week of April, the 6<sup>th</sup> thru the 10<sup>th</sup>.
