January 2021 Newsletter

WELCOME BACK STUDENTS!

We hope everyone had a fun, safe, and healthy holiday break! Last month, we had some great units on Transportation, Shapes, and Christmas. Your kids sure had fun jingling bells and playing reindeer games!

This month we start out with a **Review unit** to make sure our students haven't forgotten what they've learned so far this year! We then move on to **M is for Money**, where the kids will learn to identify the 4 most common coins, then **N is for Names** – children love nothing more than their own name! Then we'll end the month with **O is for Opposites**.

There's a lot of illness going around this time of year (even besides COVID!) If your child is sick, the best place for them to be is AT HOME. Thanks for helping keep all our students and teachers healthy!

PLEASE, PLEASE send your child to school in shoes and coats they can put on themselves!

(We are seriously begging here...)

With the colder weather, we are having to spend 15 minutes every day getting each child's gear on to send them home. We'd rather that time was spent learning and having fun! Please take some time to help your child practice these important skills of independence. And also help them understand that it's OK if their coat is not zipped or their gloves aren't on until they get to their car where parents can help with those tasks. If your child is still struggling with these skills, **PLEASE** consider slip-on footwear.

Thank you, thank you, for your help!

IMPORTANT DATES:

Please see reverse side for January calendar

Jan 1 – TUITION DUE!

Jan 7 & 8 – Show & Tell

Jan 18 – NO SCHOOL – MLK Day

Jan 22 – Book Orders Due

FALL 2021 REGISTRATION

Can you believe it's already time to start thinking about fall registration for preschool? **Spaces fill up fast**, so be sure to reserve yours right away. Tuition prices have increased to \$105 for MWF classes, and \$85 for TueThur classes, but any **returning students that register before the end of January will have their tuition remain the same!** *And, if you refer a friend and they register also, you will get **HALF OFF your registration fee (\$25 instead of \$50!)** Even if your child is not returning next year, you can still cash in on some great savings by referring someone else to our school - if they register any time between now and the end of this school year, you will receive \$20 off your next month's tuition!* Parents should know that if your TuThur student registers for our MWF program, **they will NOT simply be repeating the same curriculum!** We have several years of varied curriculum which we rotate each year, exposing your child to many different styles of learning – verbal, visual, kinesthetic, logical, intrapersonal, etc. While the general subject matter and educational goals remain the same, the methods and activities used to instruct your children will be different. Registration forms can be downloaded at WonderYearsAcademy.com. Contact Miss Heather with any questions thru email at WonderYearsAcademy@gmail.com, or text at 801-362-4877.

HAPPY NEW YEAR TO ALL OUR STUDENT FAMILIES!
